40009	11/12/2018 09:00 PM	Cranial, cisternal or lumbar shunt, revision or removal of (Anaes.) (Assist.)	\$821.00		<input type="checkbox"/>		Finalized

3336 - Procedure Details Not Showing in Appointment

When linking a procedure to a short appointment, hovering over the appointment's Notes column will display the procedure details in the tool tip.

Remove 'Total Outstanding' Field

For all types of invoice, to minimise confusion, the field 'Total Outstanding' is no longer displayed on printed invoices.

2580 - Display Provider Number of External Surgeon

When creating an assistant bill, to avoid confusion when providers have the same name, the search results for external surgeons display the provider numbers.

External Surgeon 

Name:

Invoice Total: \$0.00

5564 - Warning When Deleting Fee Estimates Linked to Appointments

In **Fee Estimate History**, attempting to delete a Fee Estimate that is linked to an appointment will result in a warning message being displayed that provides the date of the linked appointment. The user can either click the date to navigate to the appointment and/or click the 'Unlink' button to unlink the Fee Estimate from the appointment prior to deletion.

5828/5829 - Export 'Exceptions' to Excel

The contents of both the Medicare and ECLIPSE 'Exceptions' tabs can be exported to an Excel file.
